September 2016

Dear Parents/Carers/Guardians

This is the time of year when all of our necessary paperwork is sent home to parents for completion.

Thank you in advance for sending this back as soon as possible as I know that this can be time consuming. It is however most important that all of our pupils records are up-to-date for our School Census in October.

The School Census is how our School income is generated and the funding we receive from the Local Authority greatly depends on the accuracy of our pupil information. This year the School Census requires additional information. With this in mind, please find overleaf a very short form detailing the required information.

I would be most grateful if you could return the form to School by Monday 19 September.

Yours faithfully

C Hill
Head Teacher
