

Curriculum Overview
 Subject: Art
 2017-18

Vision for Art: Art is part of the Creative Arts team and is a core subject for all pupils in KS2 and KS3 and an option for KS4 and 5 following the OCR entry level, Edexcel BTEC and as part of the Vocational studies BTEC. Art is a popular subject at the Westminster school. During KS2 and 3 pupils in Art follow schemes of work linked to the thematic curriculum and all areas of the national curriculum are covered throughout each key stage. Pupils produce creative work, exploring their ideas and experiences. Become proficient in drawing, painting, sculpture and other art, craft and design techniques. Evaluate and analyses creative works using the language of art, craft and design. Know about great artists, craft makers and designers, and understand the historical and cultural development of their art forms. All pupils have the ability to succeed in Art regardless of their SEN needs and work is celebrated both in class and in displays around school.
